This well-laid out farm has been home to some of Canada's top horse professionals. The main stable is serviced by its own private paved driveway. There are miles & miles of pristine board fencing surrounding perfectly maintained paddocks. The farm has new fibre footing in both indoor and outdoor rings plus a state-of-the-art outdoor ring irrigation system. The farm has a main barn and two separate barns which can allow for isolation stalls or separate leases. The main barn has an updated heated viewing lounge and private offices in addition to well maintained staff accommodation.

Drive-in Equipment Building & Parking

To the north of the arena is a large steel building with power and concrete floor which offers ample space for equipment storage. The parking areas and roadway design offers ample turn-around and parking space for horse vans and automobiles.
