Hwy 27 Investment Land

Here is your opportunity to own almost 50 acres on Highway 27 just south of Schomberg! Not on the moraine! The updated farmhouse is placed well down a long driveway and the land is currently farmed by a tenant farmer to keep the taxes low. There is a useful 30x50 ft barn near the home. A great place to land bank.

The Home

The home has undergone significant updates including new bedrooms and bathrooms and hardwood floors.

The main level has a large eat-in kitchen which opens to a large deck with built-in bbq station with granite counter and pergola for shade.

Alongside the kitchen is the dining room which opens directly onto the deck.

The living room has lovely views through over-sized picture windows, built-in seating and a wood-burning fireplace. Next to the living room is a wood storage room and a solarium for growing plants.
