The family room is on the south side of the home and is open to the dining room. The family room has walk-outs to the grounds and floor-to-ceiling windows bring the outside environment into the space. Double-sided fireplace.

Living Room

The living room is a perfect place to sit back and watch a movie or catch up on the news. The large picture windows offer views over the front of the property.

Den/Office

Just off the front foyer is the den/office with a woodstove which adds charm in the cooler months. A perfect work-at-home space.

Bedrooms 2, 3, 4

Off the main hallway are 3 bedrooms each with double closet and views over the back yard and pot lights. These bedrooms share a renovated 4-piece bathroom.

Primary Bedroom

The primary bedroom is located on the west side of the home and has a walk-out to the back yard. The primary bedroom has a large walk-in closet and renovated 5-piece en suite bathroom with heated floors, glass shower, soaker tub and double vanities.

Also on this level is an updated powder room and additional storage closets.

GROUND FLOOR

Off the attached 2-car garage is a large tiled mud room with 2 walk-in closets, 3-piece bathroom, laundry and a gym or 5th bedroom with windows. Also on this level is a large crawl space, a water filtration room and the utility room.
