Location: New Tecumseth

Acreage: 60 acres

Price: \$2,650,000.00

A storybook setting! 10 minutes to Schomberg. An original Ontario stone house with board & batten addition set alongside a spring-fed pond with forested hills and open meadows! A charming 3-bay garage with loft and a century bank barn. This is what you have been waiting for! 60+ acres with miles of trails. Charming 3-bedroom 3 bathroom home with wide-board floors, beamed ceilings and many historic touches.

The House

The stone house dates to the 1800s and the size and quality of stonework is remarkable. The wide-board floors in the living room are the largest we have ever seen!

The owner retained B. Napier Simpson to carefully restore and expand the stone house in 1970. Napier Simpson was perhaps the most famous architect specializing in historic restoration in Ontario in that era. He was a "Starchitect" before there was such a term!
