

Loundes Island

Location: Sans Souci

Acreage: 1.3 acres

Price: \$595,000.00

Loundes is a picturesque 1.3 acre island offset from Parry Sound's South Channel. Well treed with areas of granite cliffs, rocky outcroppings, a sand beach and moss and fern pathways the island offers enjoyable hikes and lovely water views.

The 800 square foot one bedroom main cabin has an open plan living and kitchen area, a 3 piece bath (plus outdoor shower) and a fully screened front porch. A gazebo platform creates an outdoor room and is used as a dining room which can accommodate up to 10.

The screened porch has a conversation area overlooking the South Channel and a pull out day bed which create a second sleeping area. Pull down canvas flaps allow for enjoyment of the porch in all weathers.

A charming log structure, the main cottage was expertly constructed by two Swedish brothers who worked in a Parry Sound lumber camp and floated the logs to Lourdes Island to build their cabin.

Completely remodeled in 2007, with new kitchen, new appliances, a new roof, airtight woodstove, a 200 amp electrical service, triple filtered water system and pump and instant hot water tankless system. All windows are new and fully operable with screens to allow for maximum airflow.
